Create New Resource (Admin)

A form where admins and staff add new resources by entering details, uploading images, and setting availability rules. This is not accessible by students.

The Admin Dashboard is a centralized control panel for managing system operations. It features a header with the IU Resource Hub logo, navigation links for Browse, Bookings, Add item, and Admin, and a welcome message for the current user. The main content area includes three summary cards: Pending Bookings (1 pending approval), Flagged Messages (0 flagged messages), and Hidden Bookings (0 hidden bookings). Below these are sections for Role-Based Access Comparison (listing permissions for ADMIN and STUDENT roles) and Quick Links (Pending Approvals, All Bookings, Reviews, Users, Resources).
